

# 100 Club

Dear Parents,

This year your child has the opportunity to be a member of our classroom "100 Club"!

To earn their way into this **optional** club, your child will need to complete reading 100 books during the course of the school year. Books read during normal reading time at school do not count- this is 100 books they read at home or during their own free time in school. In May, we will have a celebration for students who have made it into the club!

Your child can borrow books from our classroom library, use books from Thursday Book Bags, read their own books at home, or from the public library.

You and your child can read the books together, you can read some to them, or they can read them on their own. I would ♥love♥ for you to do a combination of these things- this way your child is hearing you read fluently, they are practicing reading to you, they are working on their own independent reading, and you'll get to spend some time together too! ☺

Your child will have a reading log inside the "Hitching Post" sheet protector in their HORSE folder. They will use this to write down the titles of the books they have read... just make sure they are in the correct spots as there are 15 different types of books that they must read and then 85 of their own choosing.

Your child can become a bronze club member by reading 50-75 books, a silver member (76-99 books), or a gold member by completing the 100 books. However, the 15 required types of books must be met for each level! I will post updates to each level on our class website and in class newsletters.

This is something new I am trying this year and I welcome your feedback. You can call, e-mail, or send a note if you have any questions or concerns! I am very excited about this new, optional way to encourage reading outside of our classroom!

Thank you for helping your child become such a great reader this year!

☺
