

Dear Parents,

This year in Room 10, we will be using a colored "clip chart" to monitor our behavior and our choices. Your child will have a clip that they will physically move up or down the chart, depending on their choices.

Please keep in mind that your child may not move every single day- for them to move up, they must go above and beyond in their behavior choices! The chart below explains how the clip chart works.

<p>Pink Outstanding!</p>	<p>If you move to Outstanding, you'll get to decorate your clip and take a happy note home!</p>
<p>Purple Great choice!</p>	<p>As you continue to make good choices, you'll advance to "Great choice!".</p>
<p>Blue Good choice!</p>	<p>Making a good choice will help you move up to the blue section of our chart.</p>
<p>Green Ready to learn</p>	<p>You will get to start out each day on "Ready to Learn". You will move your clip up or down depending on your choices each day.</p>
<p>Yellow Slow down!</p>	<p>If you receive a warning, you will move your clip down to help you remember to think about your choices.</p>
<p>Orange Think about it</p>	<p>If you continue to make poor choices, you will move to "Think about it". You will miss five minutes of recess.</p>
<p>Red Parent contact</p>	<p>If you still choose to make bad decisions, you will move to "Parent contact". You will miss an entire recess and complete a "Behavior Reflection" for mom or dad to sign.</p>

I believe this will be a positive way for students to monitor their choices and will give them behavior goals to strive for! As always, if you have any questions, please don't hesitate to contact me!

Mrs. Bainbridge
