Mrs. Bainbridge's 1st/2nd grade class
483-7107 ext. 310 * www.bainbridgeclass.com
September 20-30, 2011

Back to learning!

Reading- We will be reading stories about friendships and using "walk and talks" to do re-tells. Please ask your child about them!

Writing- We will be writing about a special friend and completing a fall poem. Stop in and check out our butterfly writings in the hall!

Math- Both grade levels will be completing Unit 1. This is a math review. Math homework will also be coming home every night starting this week!

Science- Did your child tell you Miss Hazard's butterflies hatched? We've loved watching them grow and change! We will be continuing on with our life cycle study.

*Good work Jackson, Preston, Emily, and Caylie on remembering school and classroom rules right away!

*Jack... awesome handwriting! Keep it up! 😊

*Everyone has had a GREAT first two weeks! I'm looking forward to a great year!

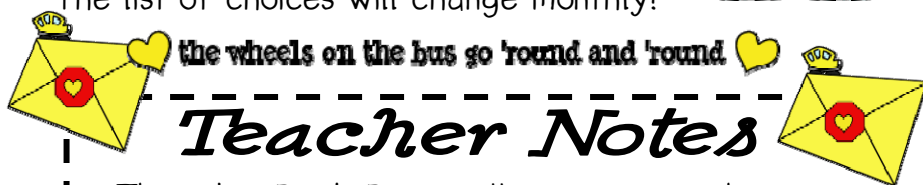

Things to talk about

We have been learning about life cycles. We've already studied butterflies and will be learning about frog and plant life cycles next.

Spelling!

Please be sure your child completes one "Speller's Choice" activity each night. The list of choices will change monthly!

Teacher Notes

*Thursday Book Bags will start coming home this week. Remember... they are to do together! I hope your family will love reading the books and doing the activities! They are due back to school the following TUESDAY.

*Check out our website often for updates! If you would NOT like your child featured on our site, please let me know.

Important Dates

9/19- No school! Fair day!

9/23- Happy Birthday, Kinsey!

9/24- Come cheer me and Mrs.

McBride on as we milk a goat at the fair today... we want to bring the trophy home to Central!! 😊

9/29- Picture Day! Send your money and order back soon!
