

# October News

Mrs. Bainbridge's 1<sup>st</sup>/2<sup>nd</sup> grade class  
483-7107 ext. 310 \* www.bainbridgeclass.com  
October 3-14, 2011

## Unbe"leaf"able

### Learning

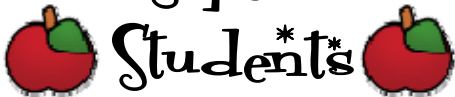

**Reading-** We have been hard at work building our stamina for Daily Five. Please ask your child about Daily Five time!

**Writing-** We have been learning how to add details to our writing... POP in and see our writing about "Pop Rocks" if you can!

**Math-** Both groups are starting Unit 2 which focuses on addition and subtraction strategies and other basic math ideas.

**Science-** We have finished our animal life cycles unit and will be learning about plant life cycles next!

## Super

\*Hip hip hooray! Every single student completed their homework every single night for the month of October! Welcome to the "Homework Club"... keep it up! 😊

## words to know

Take note of these words about rules and laws!

- \*life cycle
- \*seed
- \*fruit
- \*seedling
- \*adult plant

## Teacher Notes

- \*Library is Thursday each week.
- \*If your child brings money for popcorn on Thursday (\$0.25) or ice cream on Wednesday/Friday (\$0.50-\$1.00), they must be responsible for it. I will not be collecting money for the treats. They can carry it in a pocket, their lunch box, or however you are comfortable. Thanks!

## Important Dates

- 10/14- Book orders due!
- 10/14- Homecoming
- 10/18- Happy Birthday, Braiden!
- 10/31- Halloween Party- more info to come! 😊
