Celebrate Learning

Reading- We are learning how to visualize and make inferences in our reading.

Writing- We are learning about friendly letters. Ask your child to tell you the five parts of a friendly letter!

math- We are working on addition strategies, temperature, and money.

Spelling- A new "Speller's Choice" list for December will come home this week! ☺

socks and undies *reminder*

We are participating in a community service project with Miss Hazard and Mr. D's classes. We're collecting new packs of socks and undies to help provide for Central students who may be in need. If you're able to send some donations, we'd sure appreciate it!

Notes from the big cookie!

- *Remember... your child can get on Raz-Kids at home! Just put in my username: cbainbridge
- *Book orders will come home this week. It will be the last order before the holidays. If you want to order a gift for your child, let me know and I'll contact you when the order comes in!

* * Smart Cookies! * *

- Hooray! For the THIRRD month in a row 100% of students are in the Homework Club!
- Thank you SO much for helping your child develop good study habits and a sense of responsibility!
