

Mrs. Bainbridge's Work on Words Activities

Silent Syllables	Students wear gardening gloves to read sight word cards and quietly clap out the syllables.
Funky Words	Funky Words is cardboard letters in many colors and fonts. Students use these to make their spelling, vocabulary, and "popcorn" words.
Glow Words	Students use a neon white board to write their spelling, vocabulary, and "popcorn" words.
Hot Dots	Hot Dots pens and flashcards for a variety of phonics activities.
It's a Puzzler	This bin has many phonics puzzles for students to put together.
Letter Stamps	Students use letter stamps to make their spelling, vocabulary, and "popcorn" words.
Magna Doodle	Students use a magna doodle to write their spelling, vocab, and "popcorn" words.
Magnet Letters	Students use magnet letters on a cookie sheet to make spelling, vocabulary, and "popcorn" words.
Memory Match-Ups	These are onset and rime memory matching games.
Rainbow Words	Students write their spelling words with a black, permanent marker and then use Do-A-Dot Markers to make a colorful dot over each letter.
Rattled	Students play the word game "Rattled" independently and record words in their notebooks.

Sight Word Circle-Ups	In this bin, there are cards with sentences and assigned sight words. Students are to read the assigned sight word and then circle it in each of the sentences. They are to underline all other words they can fluently read.
Sight Word Show Down	Using a sand timer, students see how many sight word phrases they can read in one minute. Then they try and beat their score by repeating the activity several times.
Spelling String Ups	Students use laces and letter beads to create spelling, vocabulary, and "popcorn" words.
Spelling with Magnets	Students take a spelling sheet. It has pictures on it and lines for each letter of the word. They use magnet letters, placed on the lines by the picture, to spell the words.
Twisty Words	Students use pipe cleaners and Wikki Sticks to make their spelling, vocabulary, and "popcorn" words.
What's Missing Stampers	These stamps have pictures of common objects with some letters to spell it missing. Students stamp the image and write in the missing letters.
Word Ladders	This is an independent word building activity.
Word Sliders	Word sliders show words that students attempt to read. Then they pull an arrow and a picture of the correct word is shown.
